

English Mask song: Soekie Krog. May 2020

- 1. A Mask, a mask, we all wear a mask**
- 2. Seems to be fashion in the whole wide world**
- 2. A mask A MASK, we all wear a mask**
- 3. Feeling weird today ?- Wear it anyway!**

4. When you can go back to school
5. Wear a mask don't be a fool
6. Cover your nose and cover your mouth
7. That will keep infections out

8. Keep your mask on when you sneeze
9. Or if you cough- it can spread disease
10. Stop the virus now, be wise
11. Wash you hands and sanitize

- 12. A Mask, a mask, we all wear a mask**
- 2. Seems to be fashion in the whole wide world**
- 13. A mask A MASK, we all wear a mask**
- 14. Looking odd they say ?- Wear it anyway!**

15. When you sit, and walk or play
16. With your friends, move further away
17. Not many people in one place
18. Do not touch or scratch your face

19. Soon it will be over again
20. Do not fret, for we don't know when
21. When you go to a public place
22. Spray again and mask your face!

Rap part :

23. Wear a mask to school today,
24. That's for sure the only way
25. Move a little up, move a little more
26. Take a big step on the floor
27. Even though it's not so nice
28. This is still my best advice:
29. Wear your mask!

- 30. A Mask, a mask, we all wear a mask**
- 2. Seems to be fashion in the whole wide world**
- 31. A mask A MASK, we all wear a mask**
- 32. Looking odd they say ?- Wear it anyway!**

**33. All the world is wearing a mask !**
